Julian Chamber Supports Sons of the American Legion Julian Dance & Backcountry BBQ

Julian Chamber of Commerce president Ed Glass presents a \$3,000.00 check to Sons of the American Legion Commander Bill Fink at the monthly chamber mixer held at the American Legion last Thursday. The Chamber and SAL have entered into a five year sponsorship agreement to promote the Julian Dance and Back Country BBQ. The Chamber and merchants have always supported SAL's efforts to benefit the community and veterans and this donation will go a long way in the repair and long term improvement to the dance floor at Menghini Winery.
